STUDIO GUIDELINES

- **ARRIVAL to CLASS:** Classes begin promptly as scheduled. Please arrive 15 minutes before your scheduled class or rehearsal. If you are going to be late, please let us know as soon as possible at **561-3958**.
- The Student Entrance is on the right side of the building. Please park in front of the Presidio Dance Academy, in the parking lot.
- All students must sign in and sign out with Instructor.
- Please do not wear dance shoes on the street and then inside the studio as it will damage our marly floors. Parents please do not wear street shoes in the studio.
- Please review the correct dance attire for each class as outlined in the “What to Wear” handout. Please notice the difference between the ballet and folk classes. No street clothes are allowed in the dance studios. Dressing rooms are available for changing. For all classes and rehearsals, please have hair neatly combed into a bun with pins, hairnets, and gel to hold in place.
- No food, drinks, or snacks of any kind are allowed in the studios. The family of each student is responsible for providing the student with appropriate snacks. Bottled water and light snacks are recommended and can be kept in the dressing rooms. Candy and high-sugar foods are discouraged. Students are provided opportunities to have “water breaks” during class and rehearsal.
- All parents will be invited for class demonstrations (“Open Studio Days”) throughout the year. If you would like to observe a class during the regular session, please office the instructor in advance for permission.
- **Parent/Instructor Conferences:** Each parent will be invited to a conference with the instructor at the end of each session to review performance and advancement. If you are interested in speaking with the instructor regarding a particular issue, please make an appointment to do so. Please do not interrupt the students’ classes during session.
- **DEPARTURE from CLASS:** Please pick-up your children on time.
- **Parents, grandparents, friends, and students may not use video or any camera equipment in the studios without express permission from Judy Bretschneider, Executive Director. Please re-read the “Intellectual Property” clause in our contract agreement.**
